PATIENT INFORMATION LEAFLET
FLEXOR CAPSULES

SCHEDULING STATUS
SO

PROPRIETARY NAME AND DOSAGE FORM
FLEXOR CAPSULES (capsules)

PHARMACOLOGICAL CATEGORY
Complementary medicine - Health supplement.
D34.12 Multiple substance formulation.

Read all of this leaflet carefully because it contains important information for you.
- Keep this leaflet. You may need to read it again.
- Do not share FLEXOR CAPSULES with any other person.
- Ask your pharmacist if you need more information or advice.
- You must see a doctor if your symptoms worsen or do not improve.

WHAT FLEXOR CAPSULES CONTAIN
The active substances are:

Glucosamine Sulphate	375 mg
Chondroitin Sulphate	125 mg
Collagen Type II	75 mg
Vitamin D3 (cholecalciferol)	250 iu
MSM (methylsulphonylmethane)	200 mg
Papain	63 mg

The other ingredients are: Di-calcium phosphate, magnesium stearate, microcrystalline cellulose, pirosil.
Shell ingredients: Bovine gelatine, colourants, iron oxide, titanium dioxide.
Contains no sugar or artificial sweeteners.

WHAT FLEXOR CAPSULES ARE USED FOR:
FLEXOR CAPSULES contain a combination of nutrients specifically formulated for healthy joint function.

BEFORE YOU TAKE FLEXOR CAPSULES
Do not take FLEXOR CAPSULES:
- If you are hypersensitive (allergic) to the active substance of any of the ingredients.
- If you are allergic to fish or shellfish.
- If you have hypercalcaemia (elevated levels of calcium in the blood).
- If you are pregnant or breastfeeding.

Take special care with FLEXOR CAPSULES
- If you are on anticoagulant therapy (blood thinning agents) (also see **Taking other medicines with Flexor**), consult your doctor first.

Pregnancy and Breastfeeding:
The safety of this preparation during pregnancy and breastfeeding has not been established.
Women of Childbearing Potential: Should you be planning to fall pregnant, speak to your doctor before using this preparation.
Driving and using machinery: Effects not known.
Taking other medicines with FLEXOR CAPSULES
Always tell your healthcare professional if you are taking any other medicine. (This includes complementary or traditional medicines.)
Tell your doctor if you are taking any other medicine such as Warfarin.
Flexor may increase the anticoagulant effect of Warfarin.
Flexor is not suitable for children.

HOW TO TAKE FLEXOR CAPSULES
Do not share medicines with any other person.
Always take FLEXOR CAPSULES exactly as indicated or as your doctor has instructed you. You should check with your doctor or pharmacist if you are unsure.
Adults over 18 years take 2-4 capsules daily. Maximum 4 capsules per day.
Dose may be taken as a single daily dose or divided into two doses.
Take 4 capsules daily for severe joint damage or 2 capsules daily for joint maintenance.
If you take more FLEXOR CAPSULES than you should
In the event of overdosage, consult your doctor or pharmacist. If neither is available, contact the nearest hospital or poison control centre.
If you forget to take / missed a dose of FLEXOR CAPSULES
Take your missed dose when you remember. Do not take a double dose to make up for forgotten individual doses.
Effects when treatment with FLEXOR CAPSULES is stopped
If taking the dose as indicated, then there should be no adverse effects when stopping use of this medication.

POSSIBLE SIDE EFFECTS
FLEXOR CAPSULES can have side effects. Frequent side effects are nausea, heartburn, diarrhoea, constipation, bloating, burping and indigestion. Less frequent side effects are headache and heart palpitations.
If any of the following happens, stop taking Flexor capsules and tell your doctor immediately or go to the casualty department at your nearest hospital:
- Swelling of the hands, feet, ankles, face, lips, mouth or throat, which may cause difficulty in swallowing or breathing
- Rash or itching
- Fainting
- Yellowing of the skin or eyes, also called jaundice.

These are all very serious side effects. If you have any of them, you may have had a serious allergic reaction to Flexor Capsules. You may need urgent medical attention or hospitalisation.
Tell your doctor immediately or go to the casualty department at your nearest hospital if you notice any of the following:
- Spontaneous bleeding
- Heart palpitations

These are serious side effects. You may need urgent medical attention.
Tell your doctor as soon as possible if you notice any of the following:
nausea (feeling sick), heartburn, diarrhoea, constipation, bloating, burping, indigestion.
If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

STORING AND DISPOSING OF FLEXOR CAPSULES
Store at or below 25 °C
Protect from light and moisture.
Store in original packaging.
Do not store in a bathroom.
Do not use after the expiry date printed on the bottle or box.
Return all unused medicine to your pharmacist.
Do not dispose of unused medicine in drains or sewage systems (e.g. toilets).
STORE ALL MEDICINES OUT OF THE REACH OF CHILDREN.

PRESENTATION OF FLEXOR CAPSULES
The capsules are packed in a white plastic screw-top container containing 60 and 120 capsules.

PASIËNTINLIGTINGSBLAADJIE
FLEXOR KAPSULES

SKEDULERINGSTATUS
SO

HANDELSNAAM EN DOSEERVORM
FLEXOR (kapsules)

FARMAKOLOGIESE KATEGORIE
Komplementêre medisyne - Gesondheidsaanvulling.
D34.12 Meervoudige bestanddeel formulering.

Lees die hele voubiljet noukeurig deur, want dit bevat belangrike inligting vir jou.
- Hou hierdie voubiljet. Jy mag dit dalk weer moet lees.
- Moet nie FLEXOR KAPSULES met enige ander persoon deel nie.
- Vra jou apteker indien jy meer inligting of advies nodig het.
- Raadpleeg jou dokter as jou simptome vererger of nie verbeter nie.

WAT FLEXOR KAPSULES BEVAT
Die aktiewe bestanddele is:

Glucosamine sulfaat	375 mg
Chondroitin sulfaat	125 mg
Kollageen Tipe II	75 mg
Vitamien D3 (cholekalsiferol)	250 ie
MSM (methylsulphonylmethane)	200 mg
Papain	63 mg

Die ander bestanddele is: Di-calcium phosphate, magnesium stearate, microcrystalline cellulose, pirosil.
Dop: Bees gelatin, kleurstowwe, ysteroksied, titaandioksied.
Bevat geen suiker of kunsmatige versoeters.

WAARVOOR FLEXOR KAPSULES GEBRUIK WORD
FLEXOR KAPSULES bevat 'n kombinasie van voedingstowwe spesifiek geformuleer vir gesonde gewrigs funksie.

VOORDAT JY FLEXOR KAPSULES NEEM
Moet nie FLEXOR KAPSULES gebruik:
- Indien jy hipersensitief (allergies) is vir enige van die bestanddele.
- Indien jy allergies is vir vis of skulpvis.
- Indien jy hiperkalemie het. (Hoë vlakke van kalsium in die bloed).
- Indien jy swanger is of borsvoed.

Neem spesiale voorsorg met FLEXOR KAPSULES
Indien jy op antistollings terapie medikasie (bloed verdunnings medikasie.) (sien ook **Gebruik van ander medikasie saam met FLEXOR KAPSULES**),raadpleeg eers jou dokter.
